

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicholas Jonker  
DOCKET NO.: 24-00584.001-R-1  
PARCEL NO.: 11-11-208-002

The parties of record before the Property Tax Appeal Board are Nicholas Jonker, the appellant, by attorney Arden Edelcup of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$79,666  
**IMPR.:** \$205,119  
**TOTAL:** \$284,785

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,481 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement, 4½ bathrooms, central air conditioning, a fireplace and a 748 square foot garage. The property has a 23,485 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located within .42 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,397 to 3,675 square feet of living area. The dwellings were built in 1995 or 1996. The comparables

each have a basement, 3½ bathrooms, central air conditioning, a fireplace and a garage ranging in size from 567 to 651 square feet of building area. The comparables have improvement assessments that range from \$190,542 to \$209,003 or from \$56.09 to \$57.31 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$200,943 or \$57.73 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$284,785. The subject has an improvement assessment of \$205,119 or \$58.93 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject property and are located within .42 of a mile from the subject property. The board of review's comparable #2 is the same property as the appellant's comparable #1. The comparables are improved with two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,210 to 3,518 square feet of living area. The dwellings were built from 1995 to 2000. The comparables each have a basement, either 3½, 4 or 4½ bathrooms, central air conditioning, a fireplace and a garage ranging in size from 598 to 630 square feet of building area. The comparables have improvement assessments that range from \$188,656 to \$204,801 or from \$57.31 to \$58.77 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted five equity comparables for the Board's consideration, as one comparable was common to both parties. The Board finds all the comparables are relatively similar to the subject in location, dwelling size, age and some features. However, the Board finds four of the five comparables have a fewer number of bathrooms, suggesting upward adjustments would be required for these differences in order to make the comparables more equivalent to the subject. Nevertheless, the comparables have improvement assessments that range from \$188,656 to \$209,003 or from \$56.09 to \$58.77 per square foot of living area. The subject property has an improvement assessment of \$205,119 or \$58.93 per square foot of living area, which falls within the range established by the comparables in this record in total improvement assessment but is somewhat above the comparables on a per square foot of living area basis, which appears to be logical given the subject's superior number of bathrooms. After considering adjustments to the

comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed. Therefore, based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
