

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Leahy  
DOCKET NO.: 24-00633.001-R-1  
PARCEL NO.: 16-04-305-014

The parties of record before the Property Tax Appeal Board are Cynthia Leahy, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$110,811  
**IMPR.:** \$456,621  
**TOTAL:** \$567,432

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and brick exterior construction with 4,267 square feet of living area. The dwelling was constructed in 2006 and is approximately 18 years old. Features of the home include a basement with finished area, central air conditioning, five fireplaces, a 600 square foot garage and an inground swimming pool. The property has an approximately 22,000 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same assessment neighborhood code and within 0.52 of a mile from the subject. The comparables are improved with 1.75-story, 2-story or 2.5-story dwellings of brick or wood exterior construction ranging in size from 3,728 to 4,552 square feet of living

area. The homes were built from 1988 to 2007. Each comparable has a basement with finished area, central air conditioning, two to six fireplaces and a garage ranging in size from 598 to 805 square feet of building area. Comparable #5 has an inground swimming pool. The comparables have improvement assessments ranging from \$325,592 to \$444,974 or from \$87.34 to \$99.13 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$426,700 or \$100.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$567,432. The subject has an improvement assessment of \$456,621 or \$107.01 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same assessment neighborhood code and within 0.26 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 4,069 to 4,768 square feet of living area. The homes range in age from 14 to 20 years old. Each comparable has a basement with finished area, central air conditioning, four to six fireplaces and a garage ranging in size from 598 to 876 square feet of building area. The comparables have improvement assessments that range from \$435,671 to \$500,900 or from \$101.30 to \$118.37 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #5 along with board of review comparable #2 which differ from the subject in age, design and/or dwelling size.

The Board finds the best evidence of assessment equity to be appellant comparables #2, #3 and #4 along with board of review comparables #1 and #3 which are more similar to the subject in location, age, design, dwelling size and other features. However, none of these best comparables has an inground swimming pool, like the subject, suggesting an upward adjustment is needed to account for this difference from the subject. These comparables have improvement assessments that range from \$394,179 to \$481,631 or from \$93.70 to \$118.37 per square foot of living area. The subject's improvement assessment of \$456,621 or \$107.01 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
