

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Gaines
DOCKET NO.: 24-00663.001-R-1
PARCEL NO.: 16-23-413-007

The parties of record before the Property Tax Appeal Board are Matt Gaines, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$158,468
IMPR.: \$260,970
TOTAL: \$419,438

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of brick exterior construction with 4,945 square feet of living area and is 129 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 500 square foot garage. The property has an approximately 25,192 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.94 of a mile from the subject property. The comparables have sites that range in size from 13,130 to 20,000 square feet of land area and are improved with 2-story, 2.5-story or 3-story dwellings of brick, stucco or wood siding exterior construction ranging in size from 4,512 to 5,946 square feet of living area. The dwellings range in age from 99 to 123 years old. Each comparable has a basement, two of

which have finished area. Each dwelling has central air conditioning and one or two fireplaces. Three properties have a garage ranging in size from 528 to 805 square feet of building area. The properties sold from April to December 2023 for prices ranging from \$1,020,000 to \$1,332,000 or from \$194.21 to \$232.71 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$350,641 which reflects a market value of \$1,052,028 or \$212.75 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$419,438. The subject's assessment reflects a market value of \$1,258,440 or \$254.49 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.86 of a mile from the subject property. The comparables have sites that range in size from 16,609 to 21,750 square feet of land area and are improved with 2.5-story dwellings of brick, stucco or wood siding exterior construction ranging in size from 4,426 to 5,215 square feet of living area. The homes range in age from 112 to 148 years old. Each comparable has a basement with finished area, central air conditioning, one or four fireplaces and a garage ranging in size from 549 to 770 square feet of building area. The properties sold from August 2023 to July 2024 for prices ranging from \$1,425,000 to \$1,800,000 or from \$321.96 to \$371.82 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #2 and #3 which differ from the subject in design, unfinished basement and/or lack a garage in contrast to the subject.

The Board finds the best evidence of market value to be appellant comparable #4 along with the board of review's comparables which are more similar to the subject in location, design, dwelling size and most features. These comparables sold from August 2023 to July 2024 for prices ranging from \$1,050,000 to \$1,800,000 or from \$232.71 to \$371.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,258,440 or

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

\$254.49 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
