

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Amna Ahmed
DOCKET NO.: 24-00675.001-R-1
PARCEL NO.: 10-33-201-032

The parties of record before the Property Tax Appeal Board are Amna Ahmed, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,818
IMPR.: \$189,888
TOTAL: \$224,706

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,375 square feet of living area. The dwelling was constructed in 2006 and is approximately 18 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 703 square foot garage. The property has an approximately 22,712 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.91 of a mile from the subject property. The comparables have sites that range in size from 12,600 to 15,880 square feet of land area and are improved with 2-story dwellings of brick exterior construction ranging in size from 2,911 to 3,684 square feet of living area which were built in 2005. Each comparable has a basement, one of which has finished area. Each dwelling has central air conditioning, one

fireplace and a garage ranging in size from 420 to 517 square feet of building area. The properties sold from August 2022 to September 2023 for prices ranging from \$535,000 to \$614,900 or from \$145.22 to \$189.69 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$212,345 which reflects a market value of \$637,099 or \$188.77 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$224,706. The subject's assessment reflects a market value of \$674,185 or \$199.76 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.93 of a mile from the subject property. The comparables have sites that range in size from 18,003 to 29,342 square feet of land area and are improved with 2-story dwellings of brick exterior construction ranging in size from 3,001 to 3,573 square feet of living area that are either 18 or 19 years old. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 644 to 703 square feet of building area. The properties sold from May 2023 to March 2024 for prices ranging from \$720,000 to \$800,000 or from \$207.97 to \$266.58 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #2, #3 and #5 which lack a finished basement and/or sold in 2022, less proximate to the January 1, 2024 assessment date than other properties in the comparables.

The Board finds the best evidence of market value to be appellant comparable #4 and the board of review's comparables which sold proximate to the assessment date at issue and are more similar to the subject in location, age, design, dwelling size and finished basement. However, the properties have varying degrees of similarity to the subject in site size and garage size suggesting adjustments are needed to make these comparables more equivalent to the subject. These

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

comparables sold from May 2023 to March 2024 for prices ranging from \$585,000 to \$800,000 or from \$188.77 to \$266.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$674,185 or \$199.76 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
