

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Wiklund
DOCKET NO.: 24-00677.001-R-1
PARCEL NO.: 10-33-303-033

The parties of record before the Property Tax Appeal Board are Ryan Wiklund, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,383
IMPR.: \$153,967
TOTAL: \$184,350

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,644 square feet of living area. The dwelling was constructed in 2008 and is approximately 16 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 412 square foot garage. The property has an approximately 13,230 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.25 miles from the subject property. The comparables have sites that range in size from 12,600 to 19,070 square feet of land area and are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,911 to 3,263 square feet of living area each built in 2005. Each comparable has a basement, two of which have finished area. Each dwelling has central air

conditioning, one fireplace and a garage ranging in size from 420 to 483 square feet of building area. The properties sold from August 2022 to July 2023 for prices ranging from \$550,000 to \$615,000 or from \$188.45 to \$202.97 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$166,502 which reflects a market value of \$499,556 or \$188.94 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$184,350. The subject's assessment reflects a market value of \$553,105 or \$209.19 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.24 miles from the subject property. The comparables have sites that range in size from 13,569 to 22,159 square feet of land area and are improved with 2-story dwellings of brick exterior construction ranging in size from 3,001 to 3,094 square feet of living area that are either 18 or 19 years old. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 518 to 644 square feet of building area. The properties sold in September 2023 and April 2024 for prices ranging from \$630,000 to \$800,000 or from \$209.09 to \$266.58 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #3, #4 and #5 along with board of review comparable #1 which are less similar to the subject in site size and/or dwelling size than other properties in the record.

The Board finds the best evidence of market value to be appellant comparables #1 and #2 as well as board of review comparables #2 and #3 which are more similar to the subject in age, site size, dwelling size and other features. However, these comparables present varying degrees of similarity to the subject in basement finished area and garage size, suggesting adjustments are needed to make these best comparables more equivalent to the subject. These best comparables

Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

sold from July 2023 to April 2024 for prices ranging from \$550,000 to \$710,000 or from \$188.77 to \$229.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$553,105 or \$209.19 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
