

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angelo Vervilos
DOCKET NO.: 24-00850.001-R-1
PARCEL NO.: 08-21-202-009

The parties of record before the Property Tax Appeal Board are Angelo Vervilos, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,936
IMPR.: \$58,155
TOTAL: \$70,091

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,248 square feet of living area. The dwelling was constructed in 1915 and is 109 years old. Features of the home include a full basement and a 462 square foot square foot garage.¹ The property has a 9,161 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in the subject's assessment neighborhood and within .32 of a mile of the subject. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,704 to 3,030 square feet of

living area. The homes were built from 1914 to 1930. Each dwelling has central air conditioning, a full basement, and a garage ranging in size from 400 to 920 square feet of building area. The parcels range in size from 5,670 to 6,490 square feet of land area. The comparables sold from January 2022 to January 2024 for prices of either \$154,900 or \$235,000 or from \$51.12 to \$86.91 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$62,218, for an estimated market value of \$186,673 or \$83.04 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,091. The subject's assessment reflects a market value of \$210,294 or \$93.55 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in the subject's assessment neighborhood and within .43 of a mile of the subject. The comparables consist of two-story dwellings of stucco or wood siding exterior construction ranging in size from 2,286 to 2,598 square feet of living area. The dwellings are either 104 or 123 years old. Each dwelling has a full basement, with one having finished area, and a garage ranging in size from 484 to 936 square feet of building area. One comparable has central air conditioning. The parcels range in size from 5,596 to 9,961 square feet of land area. The comparables sold from September 2023 to July 2024 for prices ranging from \$206,000 to \$300,000 or from \$90.11 to \$118.11 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review comparables differ from the subject in bathroom count, garage capacity, and/or basement finish. The appellant also argued that the board of review comparables #2 and #3 were not advertised for sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in dwelling size and/or sold less proximate to the

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

January 1, 2024 assessment date at issue in this appeal. The Board also gives reduced weight to the board of review comparable #1, which features finished basement area unlike the subject.

The Board finds the best evidence of market value to be the board of review comparable sales #2 and #3, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices of \$206,000 and \$300,000 or \$90.11 and \$118.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$210,294 or \$93.55 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
