

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Fuoco
DOCKET NO.: 24-00897.001-R-1
PARCEL NO.: 16-26-105-023

The parties of record before the Property Tax Appeal Board are Steven Fuoco, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,173
IMPR.: \$295,684
TOTAL: \$364,857

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,525 square feet of living area. The dwelling was constructed in 2013 and is 11 years old. Features of the home include a full basement with finished area, central air conditioning, two fireplaces, and a 462 square foot garage. The property has a 9,630 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .33 of a mile of the subject. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 3,060 to 4,436 square feet of living area. The homes were built from 1951 to 1999. Each dwelling has central air conditioning, one or two fireplaces, a full basement with finished area, and a garage ranging in size from 462 to 550 square feet of building

area. The parcels range in size from 11,340 to 20,000 square feet of land area. The comparables sold from December 2022 to July 2024 for prices ranging from \$625,000 to \$1,225,000 or from \$204.25 to \$276.15 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$281,502, for an estimated market value of \$844,590 or \$239.60 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$364,857. The subject's assessment reflects a market value of \$1,094,680 or \$310.55 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .67 of a mile of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 2,700 to 3,430 square feet of living area. The dwellings range in age from 6 to 38 years old. Each dwelling has central air conditioning, a full basement with finished area, and a garage ranging in size from 420 to 462 square feet of building area. Two comparables each have two or three fireplaces. The parcels range in size from 8,256 to 13,498 square feet of land area. The comparables sold from June to December 2024 for prices ranging from \$1,125,000 to \$1,400,000 or from \$402.46 to \$416.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, as well as board of review comparable #3, which differ significantly from the subject in age.

The Board finds the best evidence of market value to be the board of review comparable sales #1 and #2, which sold proximate to the assessment date at issue and are similar to the subject in age, location, and most features. These two most similar comparables sold for prices of \$1,125,000 and \$1,180,000 or for \$402.46 and \$416.67 per square foot of living area, including land. The

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

subject's assessment reflects a market value of \$1,094,680 or \$310.55 per square foot of living area, including land, which is below the two best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
