

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Gilroy  
DOCKET NO.: 24-00969.001-R-1  
PARCEL NO.: 07-08-301-014

The parties of record before the Property Tax Appeal Board are John Gilroy, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$36,335  
**IMPR.:** \$155,709  
**TOTAL:** \$192,044

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,779 square feet of living area. The dwelling was constructed in 1992 and is 32 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 700 square foot garage. The property has a 37,080 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and within .3 of a mile of the subject. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 2,862 to 2,889 square feet of living area. The homes were each built in 1993. Each dwelling has central air conditioning, a fireplace, a basement with three

having finished area, and a garage containing 651 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$152,794 to \$159,745 or from \$52.89 to \$55.82 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$147,287 or \$53.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$192,044. The subject property has an improvement assessment of \$155,709 or \$56.03 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and from .09 of a mile to 1.46 miles from the subject. Comparable #4 is the same property as appellant comparable #3. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,660 to 2,880 square feet of living area. The homes are either 30 or 31 years old. Each dwelling has central air conditioning, a fireplace, a basement with finished area, and a garage ranging in size from 651 to 768 square feet of building area. The comparables have improvement assessments ranging from \$151,037 to \$171,259 or from \$55.82 to \$59.46 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board has given reduced weight to the appellant's comparables #2 and #3, which either lack basement finish or feature an inground swimming pool unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4 along with the comparables presented by the board of review, including the common comparable, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$151,037 to \$171,259 or from \$55.04 to \$59.46 per square foot of living area. The subject's improvement assessment of \$155,709 or \$56.03 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
