

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Keen
DOCKET NO.: 24-00978.001-R-1
PARCEL NO.: 16-26-107-001

The parties of record before the Property Tax Appeal Board are Stephen Keen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,628
IMPR.: \$108,097
TOTAL: \$187,725

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,559 square feet of living area. The dwelling is approximately 60 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a garage with 440 square feet of building area. The property has a site with approximately 10,080 square feet of land area and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .48 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,568 to 2,840 square feet of living area. The comparables range in age from 60 to 75 years old. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 399 to 528 square feet of building area. The comparables have improvement

assessments that range from \$98,851 to \$106,343 or from \$35.78 to \$39.35 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$97,075 or \$37.93 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$187,725. The subject property has an improvement assessment of \$108,097 or \$42.24 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .78 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,497 to 2,752 square feet of living area. The dwellings range in age from 57 to 61 years old. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 440 to 525 square feet of building area. The comparables have improvement assessments ranging from \$112,277 to \$131,914 or from \$43.27 to \$47.82 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparables #1, #2 and #4 as well as board of review comparable #3 due to their finished basements when compared to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be appellant's comparable #3 along with board of review comparables #1 and #2. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, age and some features. These most similar comparables have improvement assessments ranging from \$100,588 to \$113,144 or from \$39.17 to \$45.31 per square foot of living area. The subject's improvement assessment of \$108,097 or \$42.24 per square foot of living area falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
