

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kurt Rudolph
DOCKET NO.: 24-00979.001-R-1
PARCEL NO.: 09-35-106-013

The parties of record before the Property Tax Appeal Board are Kurt Rudolph, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,281
IMPR.: \$109,216
TOTAL: \$135,497

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,659 square feet of living area. The dwelling was constructed in 1994 and is 30 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a 420 square foot garage. The property has an 11,250 square foot site and is located in Wauconda, Wauconda Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and within .13 of a mile of the subject. The comparables consist of two-story dwellings of vinyl siding or vinyl siding and brick exterior construction ranging in size from 2,671 to 2,887 square feet of living area. The homes were built in 1993 or 1994. Each dwelling has central air conditioning, a fireplace, a

basement, and a garage ranging in size from 400 to 660 square feet of building area. The comparables have improvement assessments ranging from \$97,299 to \$107,039 or from \$36.14 to \$38.49 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$101,042 or \$38.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,497. The subject property has an improvement assessment of \$109,216 or \$41.07 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .29 of a mile of the subject. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 2,572 to 2,854 square feet of living area. The homes are either 24 or 30 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement, and a garage ranging in size from 420 to 783 square feet of building area. The comparables have improvement assessments ranging from \$103,159 to \$121,143 or from \$40.11 to \$42.45 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are similar to the subject in age, location, dwelling size, and features. The comparables have improvement assessments that range from \$97,299 to \$121,143 or from \$36.14 to \$42.45 per square foot of living area. The subject's improvement assessment of \$109,216 or \$41.07 per square foot of living area falls within the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
