

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peggy Kreisman
DOCKET NO.: 24-00988.001-R-1
PARCEL NO.: 16-36-413-018

The parties of record before the Property Tax Appeal Board are Peggy Kreisman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$92,261
IMPR.: \$162,437
TOTAL: \$254,698

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,320 square feet of living area. The dwelling is approximately 87 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a garage with 440 square feet of building area. The property has a site with approximately 10,707 square feet of land area and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and from .03 of a mile to 1.25 miles from the subject property. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,275 to 2,708 square feet of living area. The comparables range in age from 79 to 102 years old. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 190 to 484 square feet of building area. The comparables have

improvement assessments that range from \$142,025 to \$167,038 or from \$61.11 to \$63.61 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$144,779 or \$62.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$254,698. The subject property has an improvement assessment of \$162,437 or \$70.02 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and from .28 of a mile to 1.29 miles from the subject property. The comparables are improved with 2-story dwellings of brick, stone or wood siding exterior construction ranging in size from 2,030 to 2,332 square feet of living area. The dwellings range in age from 66 to 114 years old. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 200 to 550 square feet of building area. The comparables have improvement assessments ranging from \$142,811 to \$165,183 or from \$70.35 to \$73.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparables #1 and #4 as well as board of review comparables #1 and #3 due to their dissimilar ages when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3 along with board of review comparables #2 and #4. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, age and some features. These most similar comparables have improvement assessments ranging from \$142,025 to \$165,542 or from \$62.43 to \$71.02 per square foot of living area. The subject's improvement assessment of \$162,437 or \$70.02 per square foot of living area falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
