

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Weiss
DOCKET NO.: 24-01120.001-R-1
PARCEL NO.: 16-28-400-006

The parties of record before the Property Tax Appeal Board are Elizabeth Weiss, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$107,405
IMPR.: \$260,298
TOTAL: \$367,703

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding exterior construction with 5,202 square feet of living area. The dwelling was constructed in 1922 and is 102 years old with a reported effective age of 36 years old. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 650 square foot garage. The property has a 42,900 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and within .18 of a mile of the subject. The comparables consist of 1.75-story or 2-story dwellings of wood siding or brick exterior construction ranging in size from 4,980 to 6,011 square feet of living area. The homes were built from 1954 to 1989. Each dwelling has central air conditioning, one or two fireplaces, a full or partial basement with two

having finished area, and a garage ranging in size from 770 to 825 square feet of building area. The comparables sold from June to September 2021 for prices ranging from \$975,000 to \$1,130,000 or from \$178.70 to \$195.78 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$330,762, for an estimated market value of \$992,385 or \$190.77 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$367,703. The subject's assessment reflects a market value of \$1,103,219 or \$212.08 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from .48 of a mile to 1.46 miles from the subject. The comparables consist of 2-story dwellings of wood siding or brick exterior construction ranging in size from 4,986 to 5,890 square feet of living area. The dwellings range from 16 to 69 years old, with the oldest home having an effective age of 36 years old. Each dwelling has central air conditioning, one or two fireplaces, a full or partial basement with two having finished area, and a garage ranging in size from 805 to 1,288 square feet of building area. The comparables sold from October 2022 to October 2023 for prices ranging from \$1,430,000 to \$1,790,018 or from \$242.78 to \$319.30 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's comparables differ from the subject in neighborhood code and other features.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in age. Nevertheless, the Board gives less weight to the board of review's comparable #3, which is located more than one mile from the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which have varying degrees of similarity to the subject in age/effective age, location, dwelling

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

size, and features. These most similar comparables sold from June 2021 to October 2023 for prices ranging from \$975,000 to \$1,790,018 or from \$178.70 to \$319.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,103,219 or \$212.08 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
