

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce Minale
DOCKET NO.: 24-01199.001-R-1
PARCEL NO.: 02-33-401-012

The parties of record before the Property Tax Appeal Board are Bruce Minale, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,086
IMPR.: \$132,251
TOTAL: \$213,337

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,969 square feet of living area. The dwelling is approximately 39 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a garage with 576 square feet of building area. The property has a site with approximately 12,180 square feet of land area and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .12 of a mile from the subject property. The comparables are improved with 1-story dwellings of wood siding exterior construction ranging in size from 2,056 to 2,232 square feet of living area. The comparables range in age from 39 to 45 years old. Each comparable has a basement with finished area, central air conditioning, two fireplaces and a garage ranging in size from 528 to 575 square feet of building area. The comparables have improvement assessments that range from

\$119,823 to \$138,692 or from \$58.28 to \$64.81 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$122,727 or \$62.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,337. The subject property has an improvement assessment of \$132,251 or \$67.17 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .31 of a mile from the subject property. The comparables are improved with 1-story dwellings of wood siding exterior construction ranging in size from 1,733 to 2,543 square feet of living area. The dwellings range in age from 6 to 41 years old. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 768 to 880 square feet of building area. The comparables have improvement assessments ranging from \$136,105 to \$195,930 or from \$66.83 to \$78.54 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparable #2 as well as board of review comparable #3 due to their larger dwelling size when compared to the subject. The Board has given reduced weight to appellant's comparable #1 which appears to be an outlier when compared to other comparables in the record.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 along with board of review comparables #1 and #2. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, age and some features. These most similar comparables have improvement assessments ranging from \$135,120 to \$140,138 or from \$64.71 to \$78.54 per square foot of living area. The subject's improvement assessment of \$132,251 or \$67.17 per square foot of living area falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
