

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Pasquesi
DOCKET NO.: 24-01201.001-R-1
PARCEL NO.: 16-23-114-007

The parties of record before the Property Tax Appeal Board are Frank Pasquesi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,467
IMPR.: \$53,722
TOTAL: \$81,189

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 874 square feet of living area. The dwelling is approximately 112 years old. Features of the home include a full basement, central air conditioning and a garage with 361 square feet of building area. The property has a site with approximately 5,000 square feet of land area and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .54 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick, stucco or wood siding exterior construction ranging in size from 1,134 to 1,240 square feet of living area. The comparables range in age from 63 to 104 years old. Each comparable has a basement and a garage ranging in size from 216 to 484 square feet of building area. One comparable has central air conditioning and a fireplace. The comparables have improvement

assessments that range from \$60,499 to \$68,127 or from \$53.35 to \$56.55 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$47,982 or \$54.90 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,189. The subject property has an improvement assessment of \$53,722 or \$61.47 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .40 of a mile from the subject property. The comparables are improved with 1-story dwellings of wood siding exterior construction ranging in size from 825 to 936 square feet of living area. The dwellings range in age from 87 to 109 years old. Each comparable has a basement. Two comparables each have one fireplace and a garage with 308 or 675 square feet of building area. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$55,389 to \$66,046 or from \$62.73 to \$70.56 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables. The Board finds that these comparables are most similar to the subject in location, design, dwelling size and some features. However, each comparable is newer in age, two comparables lack central air conditioning and one comparable lack a garage, suggesting adjustments would be required to make these comparables more equivalent to the subject. Nevertheless, these most similar comparables have improvement assessments ranging from \$55,389 to \$66,046 or from \$62.73 to \$70.56 per square foot of living area. The subject's improvement assessment of \$53,722 or \$61.47 per square foot of living area falls below the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
