

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Kozeluh
DOCKET NO.: 24-01235.001-R-1
PARCEL NO.: 16-05-12-203-014-0000

The parties of record before the Property Tax Appeal Board are Thomas Kozeluh, the appellant, by attorney Kristin Kladis, of Kladis Law, PC in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,398
IMPR.: \$101,295
TOTAL: \$122,693

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a bi-level dwelling of brick and vinyl exterior construction with 1,610 square feet of living area. The dwelling was constructed in 1977 and is 47 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 513 square foot garage. The property has an 11,961 square foot site and is located in Homer Glen, Homer Township, Will County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's subdivision. The comparables consist of bi-level dwellings of brick and vinyl siding exterior construction ranging in size from 2,078 to 2,123 square feet of living area. The homes are 47 or 48 years old. Each dwelling has central air conditioning, a fireplace, a basement, and a 513 square foot garage. The comparables have improvement assessments ranging from \$116,843 to \$121,028 or from \$56.23 to \$57.01 per

square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$92,076 or \$57.19 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,693. The subject property has an improvement assessment of \$101,295 or \$62.92 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the subject's subdivision and within .23 of a mile of the subject. The comparables consist of bi-level dwellings each containing 1,610 square feet of living area. The homes were built in 1977 or 1978. Each dwelling has central air conditioning, a fireplace, a basement, and a 513 square foot garage. The comparables have improvement assessments ranging from \$101,277 to \$101,609 or from \$62.90 to \$63.11 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables submitted by the appellant, which differ from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the comparables presented by the board of review, which are similar or identical to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$101,277 to \$101,609 or from \$62.90 to \$63.11 per square foot of living area. The subject's improvement assessment of \$101,295 or \$62.92 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
