

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Bohr
DOCKET NO.: 24-01276.001-R-1
PARCEL NO.: 01-24-418-001

The parties of record before the Property Tax Appeal Board are Nancy Bohr, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,701
IMPR.: \$126,016
TOTAL: \$147,717

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,849 square feet of living area. The dwelling was constructed in 1996 and is approximately 28 years old. Features of the home include a basement with 940 square feet of finished area, central air conditioning, and a 679 square foot garage. The property has an approximately 13,809 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on six equity comparables located within 0.16 of a mile from the subject. The comparables are improved with 2-story homes ranging in size from 3,012 to 3,272 square feet of living area and ranging in age from 22 to 34 years old. Each home has a basement, two of which have 994 or 1,494 square feet

of finished area,¹ central air conditioning, and a garage ranging in size from 586 to 832 square feet of building area. The comparables have improvement assessments ranging from \$114,804 to \$143,253 or from \$36.74 to \$47.56 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$106,211.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,717. The subject property has an improvement assessment of \$126,016 or \$44.23 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within 0.23 of a mile from the subject. Comparables #2 and #3 are the same properties as the appellant's comparables #5 and #6, respectively, which are described above. Comparables #1, #4, and #5 are improved with 1-story homes ranging in size from 2,543 to 2,746 square feet of living area. The dwellings range in age from 30 to 32 years old. Each home has a basement with 749 to 1,455 square feet of finished area, central air conditioning, and a garage ranging in size from 569 to 657 square feet of building area. These comparables have improvement assessments ranging from \$114,116 to \$121,001 or from \$41.56 to \$44.91 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables, with two common comparables, for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #4, and #5, which are 1-story homes compared to the subject's 2-story home. The Board also gives less weight to the appellant's comparables #1 through #4, which lack basement finished area that is a feature of the subject.

The Board finds the best evidence of assessment equity to be the two common comparables, which are more similar to the subject in design, dwelling size, age, location, and features. These comparables have improvement assessments of \$124,678 and \$143,253 or \$40.08 and \$47.56 per square foot of living area, respectively. The subject's improvement assessment of \$126,016 or

¹ Additional details on comparables #5 and #6, which are common to both parties, are found in the board of review's evidence and were not refuted by the appellant.

\$44.23 per square foot of living area is bracketed by the two best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
