

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Perla De Los Santos
DOCKET NO.: 24-01305.001-R-1
PARCEL NO.: 02-27-405-043

The parties of record before the Property Tax Appeal Board are Perla De Los Santos, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$17,410
IMPR.:	\$124,233
TOTAL:	\$141,643

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,507 square feet of living area. The dwelling was constructed in 2005 and is 19 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 713 square foot garage.¹ The property has a 12,000 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .3 of a mile to 1.34 miles from the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 2,164 to 2,926 square feet of living area. The homes range in

age from 21 to 33 years old. Each dwelling has central air conditioning, a basement, and a garage ranging in size from 460 to 529 square feet of building area. Four comparables each have a fireplace. The parcels range in size from 2,178 to 19,236 square feet of land area. The comparables sold from May to July 2024 for prices ranging from \$359,000 to \$432,000 or from \$147.07 to \$176.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$108,626, for an estimated market value of \$325,911 or \$130.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,643. The subject's assessment reflects a market value of \$424,971 or \$169.51 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and from .3 of a mile to 1.46 miles from the subject. Comparable #1 is the same property as the appellant's comparable #5. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,311 to 2,759 square feet of living area. The dwellings range in age from 23 to 29 years old. Each dwelling has central air conditioning, a basement with finished area, and a garage ranging in size from 462 to 506 square feet of building area. Two comparables each have a fireplace and one comparable has an inground swimming pool. The parcels contain either 12,632 or 13,939 square feet of land area. The comparables sold from June 2023 to July 2024 for prices ranging from \$407,000 to \$495,000 or from \$165.42 to \$179.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1, #3, and #4, which differ from the subject in age, site size, and/or location. The Board also gives less weight to the board of review comparables #2 and #3, which differ from the subject in location or feature an inground swimming pool unlike the subject.

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the parties' shared comparable, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices of \$407,000 to \$430,324 or for \$147.07 and \$176.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$424,971 or \$169.51 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
