

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Octavio Gonzalez  
DOCKET NO.: 24-01307.001-R-1  
PARCEL NO.: 02-30-111-004

The parties of record before the Property Tax Appeal Board are Octavio Gonzalez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$19,127
<b>IMPR.:</b>	\$107,236
<b>TOTAL:</b>	\$126,363

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,474 square feet of living area. The dwelling was constructed in 2000 and is 24 years old. Features of the home include a basement, central air conditioning, and a 525 square foot garage. The property has a 8,878 square foot site and is located in Antioch, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood, three of which are located within .31 of a mile of the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 2,352 to 2,716 square feet of living area. The homes range in age from 26 to 39 years old. Each dwelling has central air conditioning, a basement, and a garage ranging in size from 440 to

552 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 7,815 to 11,395 square feet of land area. The comparables sold from June to August 2023 for prices ranging from \$300,501 to \$408,000 or from \$127.76 to \$151.34 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$116,266, for an estimated market value of \$348,833 or \$141.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$126,363. The subject's assessment reflects a market value of \$379,127 or \$153.24 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on two comparable sales, which are the same properties as the appellant's comparables #3 and #4. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board finds the comparables sold proximate to the assessment date at issue and are similar to the subject in location, dwelling size, and features. These comparables sold for prices ranging from \$300,501 to \$408,000 or from \$127.76 to \$151.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$379,127 or \$153.24 per square foot of living area, including land, which is within the range established by the comparable sales in this record overall and slightly above the range on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
