

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Mundackel Raju  
DOCKET NO.: 24-01338.001-R-1  
PARCEL NO.: 11-02-206-010

The parties of record before the Property Tax Appeal Board are Mundackel Raju, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$57,514
<b>IMPR.:</b>	\$122,465
<b>TOTAL:</b>	\$179,979

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick exterior construction with 2,402 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement, central air conditioning, a fireplace, and a 667 square foot garage. The property has a 9,934 square foot site and is located in Waukegan, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within the subject's assessment neighborhood and within .14 of a mile of the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction ranging in size from 3,039 to 3,244 square feet of living area. The homes were built in either 1997 or 1998. Each dwelling has central air conditioning, a fireplace, a basement, and a garage ranging in size from 619 to 806

square feet of building area. The parcels range in size from 9,904 to 12,612 square feet of land area. The comparables sold from May 2022 to December 2023 for prices ranging from \$60,000 to \$650,000 or from \$19.74 to \$206.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$158,060, for an estimated market value of \$474,227 or \$197.43 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,979. The subject's assessment reflects a market value of \$539,991 or \$224.81 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .19 of a mile of the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction containing either 2,394 or 2,402 square feet of living area. The dwellings were built in either 1997 or 1998. Each dwelling has central air conditioning, a fireplace, a basement, and a garage containing 435 square feet of building area. The parcels range in size from 10,042 to 12,513 square feet of land area. The comparables sold from May 2022 to August 2024 for prices ranging from \$545,000 to \$560,000 or from \$227.65 to \$233.92 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables presented by the appellant, which differ significantly from the subject in dwelling size.

The Board finds the best evidence of market value to be the comparables submitted by the board of review, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$545,000 to \$560,000 or from \$227.65 to \$233.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$539,991 or \$224.81 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
