

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marc Gajdos  
DOCKET NO.: 24-01422.001-R-1  
PARCEL NO.: 05-09-301-017

The parties of record before the Property Tax Appeal Board are Marc Gajdos, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,453  
**IMPR.:** \$91,927  
**TOTAL:** \$141,380

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story lakefront dwelling of frame exterior construction with 1,088 square feet of living area. The dwelling was constructed in 1959, 65 years old, and has an effective year built of 1989. Features of the home include a crawl-space foundation, central air conditioning, a 440 square foot garage, and a boathouse. The property has a 22,965 square foot site and is located in Fox Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from .03 of a mile to 1.16 miles from the subject. The comparables consist of two-story dwellings of frame or brick and frame exterior construction ranging in size from 1,122 to 1,280 square feet of living area. The homes range in age from 37 to 80 years old. Three dwellings have central air conditioning, two comparables each have a fireplace, and three comparables each have a garage containing either

250 or 264 square feet of building area. The parcels range in size from 1,087 to 11,935 square feet of land area. The comparables sold from May to November 2023 for prices ranging from \$170,000 to \$312,000 or from \$151.52 to \$243.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$98,998, for an estimated market value of \$297,024 or \$273.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,380. The subject's assessment reflects a market value of \$424,182 or \$389.87 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted a memorandum in which it argued that the appellant's comparables differ from the subject in design or location. The board of review noted that the appellant's comparable #1 is a condominium, comparable #2 is located on an island only accessible by boat, and comparables #3 and #4 are townhomes. Accordingly, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2, which is located on an island and lacks central air conditioning and a garage, features of the subject. The Board finds the best evidence of market value to be the appellant's remaining comparables, which have varying degrees of similarity to the subject in age, design, dwelling size, and features. The comparables sold from May to November 2023 for prices ranging from \$170,000 to \$312,000 or from \$151.52 to \$243.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$424,182 or \$389.87 per square foot of living area, including land, which is above the range established by the only comparable sales in this record. However, after considering adjustments to the best comparables for differences from the subject, which is a single family lakefront home, the Board finds a reduction in the subject's assessment is not justified.

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
