

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Mark Mateja
DOCKET NO.: 24-01427.001-R-1
PARCEL NO.: 05-23-403-002

The parties of record before the Property Tax Appeal Board are Mark Mateja, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$24,761
IMPR.:	\$106,735
TOTAL:	\$131,496

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,823 square feet of living area. The dwelling was built in 2004 and is approximately 20 years old. Features of the home include a basement, central air conditioning, one fireplace, a garage with 557 square feet of building area and an inground swimming pool.¹ The property has an approximately 12,000 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same assessment neighborhood code as the subject and from .23 of a mile to 1.53 miles from the subject property. The comparables have sites that range in size from 8,050 to 14,457 square feet of land area. The

¹ The Board finds the best description of the subject is found in the property record card provided by the board of review, that was not refuted by the appellant.

comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,510 to 2,992 square feet of living area that range in age from 20 to 26 years old. Each comparable has a basement, two with finished area, central air conditioning and a garage ranging in size from 460 to 656 square feet of building area. Three comparables each have one fireplace. The comparables sold from January to August 2023 for prices ranging from \$319,900 to \$392,000 or from \$123.37 to \$138.01 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,496. The subject's assessment reflects a market value of \$394,527 or \$139.75 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparables are located in the same assessment neighborhood as the subject and from .04 of a mile to 1.39 miles from the subject property. The comparables have sites ranging in size from 8,333 to 14,461 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,556 to 2,823 square feet of living area that were built from 2001 to 2005. Each comparable has a basement, two with finished area, central air conditioning and a garage ranging in size from 440 to 559 square feet of building area. Two comparables each have one fireplace. The comparables sold from April to December 2023 for prices ranging from \$355,000 to \$400,000 or from \$137.19 to \$141.69 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1, #4 and #5 as well as board of review comparable #3 due to their distance of over one mile away from the subject.

The Board finds the best evidence of market value to be appellant's comparables #2 and #3 along with board of review comparables #1, #2 and #4. The Board finds that these comparables are most similar to the subject in location, age, dwelling size, and some features. These most similar comparables sold from April to December 2023 for prices ranging from \$355,000 to \$400,000 or

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

from \$131.02 to \$141.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$394,527 or \$139.75 per square foot of living area, including land, which falls within the range of the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
