

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy O'Malley
DOCKET NO.: 24-01496.001-R-1
PARCEL NO.: 08-32-406-042

The parties of record before the Property Tax Appeal Board are Timothy O'Malley, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,512
IMPR.: \$71,282
TOTAL: \$81,794

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,226 square feet of living area. The dwelling was constructed in 1958 and is 66 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 400 square foot garage. The property has an 8,068 square foot site and is located in North Chicago, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .99 of a mile to 1.79 miles from the subject. The comparables consist of 2-story dwellings of frame exterior construction ranging in size from 1,924 to 2,432 square feet of living area. The homes range in age from 85 to 100 years old. Each dwelling has a basement and two comparables each have a garage containing either 440 or 441 square feet of building area. The parcels range in size from

4,718 to 12,811 square feet of land area. The comparables sold from March 2023 to May 2024 for prices ranging from \$114,400 to \$222,500 or from \$56.52 to \$93.56 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$56,386, for an estimated market value of \$169,175 or \$76.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,794. The subject's assessment reflects a market value of \$245,407 or \$110.25 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and from .97 of a mile to 1.51 miles from the subject. The comparables consist of 1.5-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 1,931 to 2,540 square feet of living area. The dwellings are 66 to 104 years old. Each dwelling has a full basement and a garage ranging in size from 352 to 594 square feet of building area. The parcels range in size from 12,553 to 13,494 square feet of land area. The comparables sold from October 2022 to April 2024 for prices ranging from \$235,000 to \$300,000 or from \$117.27 to \$137.23 per square foot of living area, including land. The board of review also submitted a copy of the transfer declaration associated with the sale of appellant's comparable #2, noting the property sold to the Waukegan Park District. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 through #3, which each lack a garage, a feature of the subject.

The Board finds the parties' remaining comparables are similar to the subject in dwelling size and features. These comparables sold for prices ranging from \$180,000 to \$300,000 or from \$91.49 to \$137.23 per square foot of living area, including land. The subject's assessment reflects a market value of \$245,407 or \$110.25 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
