

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Matthew Barrett
DOCKET NO.: 24-01650.001-R-2
PARCEL NO.: 12-21-108-044

The parties of record before the Property Tax Appeal Board are Matthew Barrett, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$111,868
IMPR.: \$261,750
TOTAL: \$373,618

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,614 square feet of living area. The dwelling was constructed in 2014. Features of the home include a basement, central air conditioning, a fireplace and a 484 square foot garage. The property has a 7,013 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .65 to 1.13 of a mile from the subject. The comparables have sites ranging in size from 6,347 to 28,127 square feet of land area and are improved with 1.5-story to 2-story dwellings of wood frame exterior construction ranging in size from 2,571 to 3,038 square feet of living area. The homes were built from 1979 to 1990 and have basements. The homes each have central air conditioning and a garage ranging in size from 441 to 572 square feet of building area. The comparables sold from May 2023 to

August 2024 for prices ranging from \$652,000 to \$889,000 or from \$223.00 to \$293.56 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$373,618. The subject's assessment reflects a market value of \$1,120,966 or \$428.83 per square foot of living area, land included, when using the statutory level of assessment of 33.33%¹.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same neighborhood code as the subject. The comparables have sites ranging in size from 6,400 to 7,661 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 2,602 to 2,714 square feet of living area. The homes were built from 2003 to 2011 and have basements. The homes each have central air conditioning and a garage ranging in size from 400 to 462 square feet of building area. The comparables sold from July 2023 to May 2024 for prices ranging from \$1,197,000 to \$1,300,000 or from \$443.99 to \$479.17 per square foot of living area, land included. Based on this evidence, the board of review requested a confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to significant differences from the subject dwelling in age.

The Board finds the best evidence of market value to be the board of review comparables which overall are more similar to the subject in location, site size, age, dwelling size and features. The best comparables sold from July 2023 to May 2024 for prices ranging from \$1,197,000 to \$1,300,000 or from \$443.99 to \$479.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,120,966 or \$428.83 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. After considering adjustments to the best comparables in this record for differences from the subject, the Board finds that the appellant did not demonstrate by a preponderance of the evidence that the subject property is overvalued. Therefore, based on the evidence, the Board finds a reduction in the subject's assessment is not justified.

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
