

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanley Logan
DOCKET NO.: 24-01655.001-R-1
PARCEL NO.: 12-21-304-086

The parties of record before the Property Tax Appeal Board are Stanley Logan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$123,360
IMPR.: \$238,097
TOTAL: \$361,457

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,319 square feet of living area. The dwelling was constructed in 1994 and is approximately 30 years old. Features of the home include a basement, central air conditioning, and a 546 square foot garage. The property has a 10,002 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .28 of a mile to 1.29 miles from the subject, none of which have the same neighborhood code as the subject. The comparables have sites ranging in size from 6,347 to 29,481 square feet of land area and are improved with 1.5-story to 2-story dwellings of frame exterior construction ranging in size from 2,966 to 3,397 square feet of living area. The homes are 37 to 46 years old. The homes each

have a basement, central air conditioning and a garage ranging in size from 462 to 598 square feet of building area. The comparables sold from February 2023 to August 2024 for prices ranging from \$665,000 to \$915,000 or from \$223.00 to \$292.63 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$361,457. The subject's assessment reflects a market value of \$1,084,479 or \$326.75 per square foot of living area, land included, when using the statutory level of assessment of 33.33%¹.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same neighborhood code as the subject. The comparables have sites ranging in size from 10,200 to 47,600 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 3,112 to 3,648 square feet of living area. The homes were built from 1941 to 2007 and have basements. The homes each have central air conditioning and a garage ranging in size from 252 to 589 square feet of building area. The comparables sold from April 2023 to May 2024 for prices ranging from \$960,000 to \$1,475,000 or from \$263.16 to \$473.97 per square foot of living area, land included. Based on this evidence, the board of review requested a confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #2 and #4 as well as board of review comparables #2 and #3 which are less similar to the subject dwelling in size or age.

The Board finds the best evidence of market value to be appellant's comparables #1, #3 and #5 along with board of review comparable #1 which overall are more similar to the subject in age, dwelling size and features. The best comparables sold from February to May 2024 for prices ranging from \$875,000 to \$1,475,000 or from \$257.58 to \$473.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,084,479 or \$326.75 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering adjustments to the best comparables in this record for differences from the subject, the Board finds that the appellant did not demonstrate by

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

a preponderance of the evidence that the subject property is overvalued. Therefore, based on the evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
