

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanne Hawk
DOCKET NO.: 24-01682.001-R-1
PARCEL NO.: 13-03-404-003

The parties of record before the Property Tax Appeal Board are Joanne Hawk, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,864
IMPR.: \$146,813
TOTAL: \$189,677

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,872 square feet of living area. The dwelling was constructed in 1978 and is 47 years old. Features of the home include a full basement with finished area, central air conditioning, two fireplaces, a 702 square foot garage, and an inground swimming pool. The property has a 106,714 square foot site and is located in Tower Lakes, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .45 of a mile of the subject. The comparables consist of one-story dwellings of brick, frame, or frame and brick exterior construction ranging in size from 1,815 to 2,133 square feet of living area. The homes range in age from 47 to 73 years old. Each dwelling has central air conditioning, two or three fireplaces, and a basement with two having finished area. Three comparables each have a garage

ranging in size from 400 to 588 square feet of building area. The parcels range in size from 9,999 to 86,462 square feet of land area. The comparables sold from July 2022 to July 2023 for prices ranging from \$375,000 to \$560,000 or from \$180.81 to \$308.54 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$173,455, for an estimated market value of \$520,417 or \$278.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,677. The subject's assessment reflects a market value of \$569,088 or \$304.00 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .39 of a mile of the subject. Comparable #1 is the same property as the appellant's comparable #4. The comparables consist of one-story dwellings of frame or frame and brick exterior construction ranging in size from 1,815 to 2,485 square feet of living area. The dwellings were built from 1972 to 1975. Each dwelling has central air conditioning, two fireplaces, a basement with finished area, and a garage ranging in size from 572 to 1,201 square feet of building area. The board of review reported that the shared comparable has an inground swimming pool. The parcels range in size from 58,620 to 115,109 square feet of land area. The comparables sold from September 2021 to August 2023 for prices ranging from \$540,000 to \$737,000 or from \$283.32 to \$308.54 per square foot of living area, including land. The board of review also submitted a memorandum and listing sheets for the appellant's comparables #1, #2, and #3. The board of review noted that appellant comparable #1 is in poor condition and appellant comparable #2 sold in "as-is" condition and comparable #3 is a split-level "California ranch" unlike the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1, #2, and #3, which differ from the subject in age, design, site size, and/or condition. The Board also gives reduced weight to board of review comparable #2, which sold less proximate to the January 1, 2024 assessment date at issue.

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

The Board finds the best evidence of market value to be the parties' shared comparable and the board of review comparable sale #3, which are similar to the subject in age, location, dwelling size, and most features, noting board of review comparable #3 would require an upward adjustment as it lacks an inground swimming pool, a feature of the subject. These most similar comparables sold for prices of \$560,000 and \$737,000 or for \$296.58 and \$308.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$569,088 or \$304.00 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
