

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Grace Ford
DOCKET NO.: 24-01689.001-R-1
PARCEL NO.: 13-11-300-606

The parties of record before the Property Tax Appeal Board are Grace Ford, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,767
IMPR.: \$126,977
TOTAL: \$134,744

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhome of frame exterior construction with 1,619 square feet of living area. The dwelling was constructed in 1991 and is 33 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 522 square foot garage. The property has a 1,619 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within the subject's assessment neighborhood and from .3 of a mile to 1.12 miles from the subject. The comparables consist of 1.5-story or 2-story dwellings of frame exterior construction ranging in size from 1,489 to 1,879 square feet of living area. The homes range in age from 32 to 50 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage

ranging in size from 398 to 496 square feet of building area. The parcels range in size from 1,489 to 1,879 square feet of land area. The comparables sold from April 2023 to August 2024 for prices ranging from \$305,000 to \$365,000 or from \$166.48 to \$231.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$106,645, for an estimated market value of \$319,967 or \$197.63 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,744. The subject's assessment reflects a market value of \$404,272 or \$249.70 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the subject's assessment neighborhood and within .74 of a mile of the subject. The comparables consist of 2-story dwellings of frame exterior construction each containing 1,619 square feet of living area. The dwellings were built in 1989 or 1990. Each dwelling has central air conditioning, two or four fireplaces, a basement with finished area, and a 522 square foot garage. The parcels each contain 1,619 square feet of land area. The comparables sold from May 2021 to October 2022 for prices ranging from \$360,000 to \$425,000 or from \$222.36 to \$262.51 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in age or location. The Board also gives reduced weight to board of review comparables #4 and #5, which sold less proximate to the January 1, 2024 assessment date at issue.

The Board finds the best evidence of market value to be the board of review comparables #1, #2, and #3, which are similar or identical to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$380,000 to \$425,000 or from \$234.71 to \$262.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$404,272 or \$249.70 per square foot of living area, including land,

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
