

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Kapitzky  
DOCKET NO.: 24-01690.001-R-1  
PARCEL NO.: 13-12-301-045

The parties of record before the Property Tax Appeal Board are George Kapitzky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,640  
**IMPR.:** \$268,834  
**TOTAL:** \$334,474

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,422 square feet of living area. The dwelling was constructed in 1994 and is 30 years old. Features of the home include a full basement with finished area, central air conditioning, three fireplaces, and a 1,053 square foot garage. The property has an 87,950 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.34 to 1.5 miles from the subject. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 2,798 to 2,973 square feet of living area. The homes range in age from 49 to 58 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 482 to 825 square feet of building

area. The parcels range in size from 32,925 to 274,864 square feet of land area. The comparables sold in May and July 2023 for prices ranging from \$630,000 to \$803,000 or from \$225.16 to \$270.10 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$252,062, for an estimated market value of \$756,262 or \$221.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$334,474. The subject's assessment reflects a market value of \$1,003,522 or \$293.26 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .86 of a mile of the subject. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 2,797 to 5,176 square feet of living area. The dwellings were built in 1989 or 1990. Each dwelling has central air conditioning, three or five fireplaces, and a basement with finished area. Two comparables each have a garage containing either 864 or 1,046 square feet of building area. The parcels range in size from 51,685 to 56,352 square feet of land area. The comparables sold from June 2022 to April 2024 for prices ranging from \$890,000 to \$1,385,000 or from \$260.82 to \$318.20 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in age, location, dwelling size, site size, and/or features. Nevertheless, the Board gives less weight to the board of review's comparable #1, which sold less proximate to the January 1, 2024 assessment date at issue.

The Board finds the best evidence of market value to be the parties' remaining comparables, which have varying degrees of similarity to the subject in age, location, dwelling size, and features. These comparables sold for prices ranging from \$630,000 to \$1,385,000 or from

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

\$225.16 to \$313.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,003,522 or \$293.26 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
