

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Meanor
DOCKET NO.: 24-01697.001-R-1
PARCEL NO.: 13-36-404-009

The parties of record before the Property Tax Appeal Board are Stephen Meanor, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,562
IMPR.: \$103,538
TOTAL: \$132,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,215 square feet of living area. The dwelling was constructed in 1955 and is 69 years old. Features of the home include a full basement with finished area, central air conditioning, and a 308 square foot garage. The property has a 6,742 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .34 of a mile to 1.72 miles from the subject. The comparables consist of one-story or split-level dwellings of frame or frame and brick exterior construction ranging in size from 1,167 to 1,454 square feet of living area. The homes range in age from 54 to 67 years old. Each dwelling has central air conditioning, a fireplace, and a basement with finished area. One comparable has a 642 square

foot garage. The parcels range in size from 1,248 to 15,682 square feet of land area. The comparables sold from March to September 2023 for prices ranging from \$275,000 to \$370,000 or from \$220.35 to \$269.92 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$105,694, for an estimated market value of \$317,114 or \$261.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,100. The subject's assessment reflects a market value of \$396,340 or \$326.21 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .47 of a mile of the subject. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 1,250 to 1,476 square feet of living area. The dwellings were built in either 1955 or 1969. Each dwelling has central air conditioning, a fireplace, a basement with finished area, and a garage ranging in size from 271 to 495 square feet of building area. The parcels range in size from 5,125 to 10,926 square feet of land area. The comparables sold in September 2023 and February 2024 for prices ranging from \$400,000 to \$518,000 or from \$320.00 to \$350.95 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, as well as the board of review's comparable #2, which differ from the subject in age, location, site size, design, and/or lack a garage, a feature of the subject.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #3, which are similar to the subject in age, location, dwelling size, site size, and features. These most similar comparables sold for prices of \$400,000 and \$425,000 or for \$320.00 and \$324.18 per square foot of living area, including land. The subject's assessment reflects a market value of \$396,340 or \$326.21 per square foot of living area, including land, which is below the

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. two best comparable sales in this record overall and slightly above the comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
