

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Dubiel
DOCKET NO.: 24-01712.001-R-1
PARCEL NO.: 14-18-326-007

The parties of record before the Property Tax Appeal Board are Eric Dubiel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,917
IMPR.: \$171,209
TOTAL: \$205,126

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,925 square feet of living area. The dwelling was constructed in 2019 and is 5 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 420 square foot garage. The property has an 11,083 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .63 of a mile to 1.54 miles from the subject. The comparables consist of two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,572 to 2,837 square feet of living area. The homes range in age from 23 to 42 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 460 to 673 square feet of building

area. The parcels range in size from 12,982 to 13,510 square feet of land area. The comparables sold from May to August 2024 for prices ranging from \$500,000 to \$652,500 or from \$194.40 to \$230.24 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$160,859, for an estimated market value of \$482,625 or \$165.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,126. The subject's assessment reflects a market value of \$615,440 or \$210.41 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .33 of a mile of the subject. The comparables consist of two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,550 to 3,119 square feet of living area. The dwellings were built from 2001 to 2024. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 441 to 600 square feet of building area. The parcels range in size from 11,103 to 13,068 square feet of land area. The comparables sold from December 2023 to July 2025 for prices ranging from \$540,000 to \$750,000 or from \$211.76 to \$277.37 per square foot of living area, including land. The board of review also submitted a memorandum noting that the appellant's comparable #1 was a townhome and argued that it was therefore dissimilar to the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in design or are located more than one mile from the subject. The Board also gives less weight to the board of review's comparable #3, which sold less proximate to the January 1, 2024 assessment date at issue.

The Board finds the board of review's comparables #1 and #2 are similar to the subject in location, dwelling size, and features. These two best comparables sold for prices of \$540,000

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

and \$750,000 or for \$211.76 and \$277.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$615,440 or \$210.41 per square foot of living area, including land, which is bracketed by the best comparable sales in this record overall and is below the best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
