

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Artem Kotelnikov
DOCKET NO.: 24-01714.001-R-1
PARCEL NO.: 14-20-405-005

The parties of record before the Property Tax Appeal Board are Artem Kotelnikov, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$28,587
IMPR.:	\$195,152
TOTAL:	\$223,739

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,466 square feet of living area. The dwelling was built in 2005 and is approximately 19 years old. Features of the home include a basement, central air conditioning, one fireplace and a garage with 704 square feet of building area. The property has an approximately 19,800 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject and from .38 of a mile to 1.89 miles from the subject property. The comparables have sites that range in size from 9,202 to 24,394 square feet of land area. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,850 to 3,140 square feet of living area. The dwellings range in age from 22 to 71 years old. Each comparable has a basement, central air conditioning and a garage ranging in size from 400 to 966 square feet of building area. Three comparables each

have one or three fireplaces. The comparables sold from April 2023 to June 2024 for prices ranging from \$490,000 to \$605,000 or from \$164.60 to \$192.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$223,739. The subject's assessment reflects a market value of \$671,284 or \$193.68 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparables are located in the same assessment neighborhood as the subject and from .76 of a mile to 1.89 miles from the subject property. The comparables have sites ranging in size from 6,272 to 18,870 square feet of land area. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 3,020 to 3,219 square feet of living area. The dwellings were built from 2003 to 2009. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 400 to 915 square feet of building area. The comparables sold from October 2022 to August 2024 for prices ranging from \$610,000 to \$840,000 or from \$201.99 to \$271.45 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their dissimilar dwelling sizes or ages when compared to the subject. The Board has given reduced weight to board of review comparable #4 due to its more remote sale date occurring in 2022, which is less proximate in time to the January 1, 2024 assessment date given other sales available in the record.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #3. The Board finds that these comparables are most similar to the subject in age, location, design, and some features. These most similar comparables sold from July 2023 to August 2024 for prices ranging from \$825,000 to \$840,000 or from \$260.95 to \$271.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$671,284 or

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

\$193.68 per square foot of living area, including land, which falls below the range of the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
