

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Zils  
DOCKET NO.: 24-01739.001-R-1  
PARCEL NO.: 11-27-108-009

The parties of record before the Property Tax Appeal Board are Kathleen Zils, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$80,324  
**IMPR.:** \$167,957  
**TOTAL:** \$248,281

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,700 square feet of living area. The dwelling was constructed in 1982 with an effective year built of 1983. Features of the home include a basement, central air conditioning, a fireplace, and a 584 square foot garage. The property has a 13,911 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood and within .12 of a mile of the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction ranging in size from 2,703 to 3,170 square feet of living area. The homes were built from 1978 to 1984. Each dwelling has a basement with finished area, central air conditioning, a fireplace, and a garage ranging in size

from 479 to 528 square feet of building area. The parcels range in size from 10,356 to 13,089 square feet of land area. The comparables sold from April 2021 to October 2022 for prices ranging from \$535,000 to \$550,000 or from \$172.24 to \$197.93 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$227,762, for an estimated market value of \$683,354 or \$184.69 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$248,281. The subject's assessment reflects a market value of \$744,917 or \$201.33 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .18 of a mile of the subject. The comparables consist of two-story dwellings of frame and brick exterior construction ranging in size from 2,937 to 3,283 square feet of living area. The dwellings were built in either 1979 or 1984. Each dwelling has a full basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 540 square feet of building area. The parcels range in size from 9,316 to 10,691 square feet of land area. The comparables sold from March 2022 to September 2023 for prices ranging from \$595,000 to \$725,000 or from \$201.01 to \$220.83 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's comparables differed from the subject in basement finish, bathroom count, and condition.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1, which sold less proximate to the January 1, 2024 assessment date at issue.

The Board finds the parties' remaining comparables are similar to the subject in age and location, and have varying degrees of similarity to the subject in dwelling size and features. These comparables sold for prices ranging from \$535,000 to \$725,000 or from \$184.69 to \$220.83 per

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

square foot of living area, including land. The subject's assessment reflects a market value of \$744,917 or \$201.33 per square foot of living area, including land, which is above the range established by the best comparable sales in this record overall and within the range on a per-square-foot basis. The Board finds the subject's higher overall assessment logical given the subject's larger dwelling. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
