

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kamran Farahmandpour
DOCKET NO.: 24-01768.001-R-1
PARCEL NO.: 14-22-201-133

The parties of record before the Property Tax Appeal Board are Kamran Farahmandpour, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$52,027
IMPR.:	\$321,718
TOTAL:	\$373,745

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,146 square feet of living area. The dwelling was constructed in 2000 and is approximately 24 years old. Features of the home include a basement, central air conditioning, three fireplaces and a garage with 2,566 square feet of building area. The property has a site with approximately 56,192 square feet of land area and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood code as the subject and within .46 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction that range in size from 4,828 to 5,458 square feet of living area. The dwellings range in age from 17 to 35 years old. Each comparable has a basement, central air conditioning, two or three fireplaces and a garage ranging in size from 1,089 to 1,508 square feet of building area. The comparables have improvement assessments that range from \$273,215 to

\$315,175 or from \$56.59 to \$58.99 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$296,988 or \$57.71 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$373,745. The subject property has an improvement assessment of \$321,718 or \$62.52 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables located in the same assessment neighborhood as the subject and within .57 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction that range in size from 4,615 to 5,415 square feet of living area. The dwellings were built from 2003 to 2007. Each comparable has a basement, central air conditioning, two or three fireplaces and a garage ranging in size from 955 to 1,608 square feet of building area. Comparables #2 and #3 each have an inground swimming pool. The comparables have improvement assessments ranging from \$294,459 to \$342,408 or from \$63.23 to \$63.86 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparable #4 due to its older age when compared to the subject. The Board has given reduced weight to board of review comparables #2 and #3 due to their inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2 and #3 along with board of review comparable #1. The Board finds that these comparables are most similar to the subject in location, design, age, dwelling size and some features. These most similar comparables have improvement assessments ranging from \$312,180 to \$342,408 or from \$57.20 to \$63.23 per square foot of living area. The subject's improvement assessment of \$321,718 or \$62.52 per square foot of living area, which falls within the range established by the best comparables contained in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
