

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Quilico  
DOCKET NO.: 24-01797.001-R-1  
PARCEL NO.: 14-21-201-036

The parties of record before the Property Tax Appeal Board are Robert Quilico, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,651  
**IMPR.:** \$124,574  
**TOTAL:** \$146,225

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 2,581 square feet of living area. The dwelling was constructed in 1971 and is approximately 53 years old. Features of the home include a concrete slab foundation, central air conditioning, and a 474 square foot garage. The property has an 8,750 square foot site and is located in Lake Zurich, Elia Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales, four of which are located within 0.69 of a mile from the subject. The parcels range in size from 8,763 to 16,679 square feet of land area and are improved with 2-story homes ranging in size from 2,201 to 2,918 square feet of living area. The dwellings range in age from 46 to 55 years old. Each home has central air conditioning and a garage ranging in size from 467 to 484 square feet of building area. The

comparables sold from May 2022 to August 2023 for prices ranging from \$345,000 to \$490,000 or from \$156.75 to \$172.87 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,225. The subject's assessment reflects a market value of \$438,719 or \$169.98 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup> In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.56 of a mile from the subject. The parcels range in size from 9,325 to 13,863 square feet of land area and are improved with 2-story homes with 2,418 or 2,967 square feet of living area. The dwellings were built in 1970 or 1971. One home has a basement. Each home has central air conditioning and a 484 square foot garage. Comparable #1 also has a greenhouse. The comparables sold from October 2022 to October 2023 for prices ranging from \$425,000 to \$639,000 or from \$175.77 to \$215.37 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #5 and the board of review's comparable #1, which are less similar to the subject in dwelling size, age, and/or foundation type.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #4 and the board of review's comparables #2 and #3, which sold relatively proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$345,000 to \$430,000 or from \$156.75 to \$177.83 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$438,719 or \$169.98 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value and within the range on a per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, including their slightly smaller dwelling sizes compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

<sup>1</sup> Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
