

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Gary Melavic
DOCKET NO.: 24-01799.001-R-1
PARCEL NO.: 14-21-404-025

The parties of record before the Property Tax Appeal Board are Gary Melavic, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,578
IMPR.: \$116,075
TOTAL: \$136,653

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 2,246 square feet of living area. The dwelling was constructed in 1973 and is approximately 51 years old. Features of the home include a basement, central air conditioning, and a 420 square foot garage. The property has a 7,856 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.84 of a mile to 1.54 miles from the subject. The parcels range in size from 8,750 to 32,714 square feet of land area and are improved with 1-story homes ranging in size from 2,084 to 2,570 square feet of living area. The dwellings range in age from 36 to 50 years old. Each home has a basement, central air conditioning, and a garage ranging in size from 430 to 1,130 square feet of building area. The

comparables sold from January 2023 to June 2024 for prices ranging from \$385,000 to \$470,000 or from \$182.88 to \$199.35 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,534. The subject's assessment reflects a market value of \$460,648 or \$205.10 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.08 of a mile from the subject, two of which are on the same street as the subject. The parcels range in size from 8,239 to 10,206 square feet of land area and are improved with 1-story homes with 1,671 or 1,846 square feet of living area. The dwellings were built in 1973. Each home has a basement, central air conditioning, and a 420 or a 483 square foot garage. The comparables sold from August 2022 to April 2023 for prices ranging from \$377,000 to \$405,100 or from \$219.39 to \$225.61 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which has a significantly larger site than the subject, and the appellant's comparables #3 and #5, which are less similar to the subject in location than the other sales in this record. The Board also gives less weight to the board of review's comparables, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4, which sold proximate in time to the assessment date and are more similar to the subject in dwelling size, location, site size, and features, although one comparable is a much newer home than the subject, suggesting a downward adjustment to this comparable would be needed to make it more equivalent to the subject. These most similar comparables sold for prices of \$410,000 or \$188.33 and \$196.74 per square foot of living area, including land. The subject's assessment

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

reflects a market value of \$460,648 or \$205.10 per square foot of living area, including land, which is above the range established by the best comparable sales in this record.

Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
