

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Johnson
DOCKET NO.: 24-01805.001-R-1
PARCEL NO.: 14-32-401-022

The parties of record before the Property Tax Appeal Board are Douglas Johnson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,316
IMPR.: \$148,181
TOTAL: \$206,497

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,457 square feet of living area. The dwelling was constructed in 1964, is approximately 60 years old, and has a reported effective age of 1979.¹ Features of the home include a basement, central air conditioning, and an 891 square foot garage. The property has a 65,625 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.79 of a mile from the subject. The parcels range in size from 31,730 to 57,320 square feet of land area and are improved with 2-story homes ranging in size from 2,295 to 2,930 square feet of living area. The

dwelling range in age from 47 to 52 years old. Each home has a basement, central air conditioning, and a garage ranging in size from 525 to 814 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from January to November 2022 to for prices ranging from \$489,000 to \$630,000 or from \$212.32 to \$223.26 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$206,497. The subject's assessment reflects a market value of \$619,553 or \$252.16 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.60 of a mile from the subject. The parcels range in size from 35,005 to 42,045 square feet of land area and are improved with 2-story homes ranging in size from 2,205 to 2,547 square feet of living area. The dwellings were built from 1976 to 1978. Each home has a basement, central air conditioning, and a garage ranging in size from 575 to 713 square feet of building area. The comparables sold from March 2022 to March 2025 for prices ranging from \$600,000 to \$775,000 or from \$255.10 to \$351.47 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which is a substantially larger home than the subject and has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #2 through #5 and the board of review's comparables, which sold relatively proximate in time to the assessment date and are similar to the subject in dwelling size, location, and some features, although these comparables have much smaller sites than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$489,000 to \$775,000 or from \$212.32 to \$351.47 per square foot of living area, including land. The subject's assessment

² Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

reflects a market value of \$619,553 or \$252.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
