

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Carl Fulkerson
DOCKET NO.: 24-01806.001-R-1
PARCEL NO.: 14-34-202-029

The parties of record before the Property Tax Appeal Board are Carl Fulkerson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,720
IMPR.: \$216,495
TOTAL: \$266,215

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,977 square feet of living area. The dwelling was constructed in 1987 and is approximately 37 years old. Features of the home include a basement, central air conditioning, and a 784 square foot garage. The property has a 62,446 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.91 of a mile from the subject. The parcels range in size from 44,543 to 65,978 square feet of land area and are improved with 2-story homes ranging in size from 3,663 to 4,015 square feet of living area. The dwellings are 42 or 55 years old. Each home has a basement, central air conditioning, and a garage ranging in size from 800 to 870 square feet of building area. The comparables sold in

August 2023 and June 2024 for prices ranging from \$535,000 to \$786,000 or from \$133.25 to \$214.31 per square foot of living area, including land.

The appellant submitted a brief describing the comparables as located within the subject's neighborhood and comparable #2 as recently rehabbed and located "on the water." Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$266,215. The subject's assessment reflects a market value of \$798,725 or \$200.84 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.48 of a mile from the subject. The parcels range in size from 51,691 to 84,377 square feet of land area and are improved with 2-story homes ranging in size from 2,592 to 5,544 square feet of living area. The dwellings were built from 1968 to 1998. Each home has a basement, central air conditioning, and a garage ranging in size from 576 to 904 square feet of building area. The comparables sold from June 2023 to June 2024 for prices ranging from \$755,000 to \$1,300,000 or from \$232.81 to \$308.64 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2, which is a waterfront site unlike the subject, and to the board of review's comparables #1 through #4, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparable #5, which sold proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, and most features, although two comparables have much smaller sites than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$535,000 to \$1,060,500 or from \$133.25 to \$235.04

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

per square foot of living area, including land. The subject's assessment reflects a market value of \$798,725 or \$200.84 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
