

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura Lustig
DOCKET NO.: 24-01866.001-R-2
PARCEL NO.: 16-23-318-032

The parties of record before the Property Tax Appeal Board are Laura Lustig, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,219
IMPR.: \$224,967
TOTAL: \$242,186

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story condominium style dwelling¹ of brick exterior construction with 2,398 square feet of living area. The dwelling was constructed in 2010 and is approximately 14 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 2,400 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.23 to 1.31 miles from the subject property. The comparables have sites with 2,261 or 2,526 square feet of land area and are improved with 2-story dwellings of wood frame exterior construction with 2,262 or

2,528 square feet of living area that are 47 or 51 years old. Each comparable has central air conditioning, a fireplace and a 484 square foot garage. The properties sold from May to July 2024 for prices ranging from \$346,000 to \$370,000 or from \$146.36 to \$156.94 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$111,895 which reflects a market value of \$335,719 or \$140.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,186. The subject's assessment reflects a market value of \$726,631 or \$303.02 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.09 of a mile from the subject property.³ The comparables have sites with either 2,505 or 2,908 square feet of land area and are improved with 3-story dwellings of brick exterior construction with 2,505 or 2,908 square feet of living area each of which is 17 years old. Each comparable has a basement with finished area, central air conditioning and a fireplace. The properties sold in April and June 2023 for prices of \$770,000 and \$825,000 or \$264.79 and \$329.34 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted five comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which are located greater than one mile from the subject and are more than 30 years older in age when compared to the subject property.

The Board finds the best evidence of market value to be board of review comparables #1 and #3 which are more similar to the subject in location, age, design, dwelling size and some features. However, each of these properties differs from the subject in foundation type and garage amenity, suggesting adjustments are needed to make these two properties more equivalent to the subject. These best comparables sold in April and June 2023 for prices of \$770,000 and \$825,000 or \$264.79 and \$329.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$726,631 or \$303.02 per square foot of living area,

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

³ Board of review comparable #2 is a duplicate of comparable #1.

including land, which falls below the two best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
