

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Mary Mulsoff
DOCKET NO.: 24-01931.001-R-1
PARCEL NO.: 16-28-111-012

The parties of record before the Property Tax Appeal Board are Mary Mulsoff, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$41,438
IMPR.:	\$97,395
TOTAL:	\$138,833

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,194 square feet of living area. The dwelling was constructed in 1959 and is approximately 65 years old. Features of the home include a basement, central air conditioning, and a 470 square foot garage. The property has an approximately 8,100 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.66 of a mile to 1.37 miles from the subject. The parcels range in size from 6,250 to 10,986 square feet of land area and are improved with 1-story homes ranging in size from 1,072 to 1,344 square feet of living area. The dwellings range in age from 61 to 85 years old. Each home has a basement and a garage ranging in size from 308 to 576 square feet of building area. One home has central air

conditioning. The comparables sold from February 2023 to May 2024 for prices ranging from \$285,000 to \$360,000 or from \$243.59 to \$312.50 per square foot of living area, including land.

The appellant submitted a brief contending that the comparables are located in the subject's neighborhood. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,833. The subject's assessment reflects a market value of \$416,541 or \$348.86 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.21 of a mile from the subject. The comparables have 8,775 or 12,015 square foot sites that are improved with 1-story homes ranging in size from 1,169 to 1,545 square feet of living area. The dwellings are 63 or 65 years old and feature central air conditioning and a 264 or a 440 square foot garage. Two homes have a basement with finished area. The comparables sold from May 2023 to May 2024 for prices ranging from \$550,000 to \$605,000 or from \$355.99 to \$487.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #5 and the board of review's comparable #1, due to substantial differences from the subject in dwelling size or age. The Board gives less weight to the appellant's comparables #2 and #3, which are located more than one mile from the subject and less proximate to the subject than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4 and the board of review's comparables #2 and #3, which sold proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and some features, although two comparables lack central air conditioning that is a feature of the subject and two comparables have finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject.

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

These most similar comparables sold for prices ranging from \$335,000 to \$605,000 or from \$267.86 to \$487.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$416,541 or \$348.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
