

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Edelson
DOCKET NO.: 24-01973.001-R-1
PARCEL NO.: 06-24-404-059

The parties of record before the Property Tax Appeal Board are Michael Edelson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,658
IMPR.: \$112,715
TOTAL: \$135,373

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,632 square feet of living area. The dwelling was constructed in 1998 and is approximately 26 years old. Features of the home include a basement with finished area, 2.5 baths, central air conditioning, a fireplace and a 440 square foot garage. The property has a 8,834 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables located on same street, block as the subject and within .18 of a mile from the subject. The comparables consist of 2-story dwellings of frame exterior construction ranging in size from 2,521 to 2,719 square feet of living area. The homes are 27 or 28 years old. Each dwelling has an unfinished basement, 2.5 baths, central air conditioning and a garage ranging in

size from 440 to 529 square feet of building area. Eight comparables each have a fireplace. The comparables have improvement assessments ranging from \$102,073 to \$110,266 or from \$40.40 to \$43.29 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,373. The subject property has an improvement assessment of \$112,715 or \$42.82 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located on same street, block as the subject and within .18 of a mile from the subject. The comparables consist of 2-story dwellings of frame exterior construction ranging in size from 2,319 to 2,709 square feet of living area. The homes are 26 to 30 years old. Each dwelling has a basement, one of which has finished area, central air conditioning, 2.5 or 3.5 baths, one fireplace and a garage ranging in size from 462 to 800 square feet of building area. The comparables have improvement assessments ranging from \$104,252 to \$108,214 or from \$39.95 to \$44.96 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives reduced weight to board of review comparable #2 due to difference from the subject dwelling in size.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparables #1 and #3 which overall are more similar to the subject in location, age, dwelling size and features. However, ten comparables lack finished basement area, suggesting upward adjustments are necessary to make them more equivalent to the subject. The comparables have improvement assessments that range from \$102,073 to \$110,266 or from \$40.40 to \$43.56 per square foot of living area. The subject's improvement assessment of \$112,715 or \$42.82 per square foot of living area falls within the range established by the best comparables in this record on a square foot basis but higher on an overall basis. However, after considering adjustments to the best comparables for differences including features such as finished basement area from the subject, the Board finds the subject's higher overall improvement assessment is logical. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
