

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Schwerty
DOCKET NO.: 24-01979.001-R-1
PARCEL NO.: 07-02-101-172

The parties of record before the Property Tax Appeal Board are Richard Schwerty, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,790
IMPR.: \$84,723
TOTAL: \$102,513

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,981 square feet of living area. The dwelling was constructed in 1996 and is approximately 28 years old. Features of the home include a basement with finished area,¹ central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 5,110 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that have the same assessment neighborhood code as the subject and are located along the same street as the subject property. The comparables are improved with one-story dwellings of wood frame exterior construction containing 1,942 or 2,063 square feet of

¹ The board of review disclosed the subject dwelling has basement finish, which was not refuted by the appellant.

living area. The dwellings are from approximately 28 to 31 years old. The comparables reportedly each have an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The comparables have improvement assessments that range from \$79,398 to \$84,810 or from \$39.85 to \$41.11 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$79,923 or \$40.34 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,513. The subject has an improvement assessment of \$84,723 or \$42.77 per square foot of living area.

In response to the appeal, the board of review submitted a memorandum prepared by the township assessor. The assessor disclosed the appellant's comparables #1, #2, #5 and #8 each have basement finish. The assessor noted differences in basement area and basement finish of the appellant's comparables and the subject property.

In support of its contention of the correct assessment the board of review, through the township assessor submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located along the same street as the subject property. The comparables are improved with one-story dwellings of wood siding exterior construction, each containing 1,981 square feet of living area. The dwellings are 27 or 28 years old. The comparables each have a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The comparables have improvement assessments that range from \$83,614 to \$85,949 or from \$42.21 to \$43.39 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 13 equity comparables for the Board's consideration. The Board finds all the comparables are similar to the subject in location and similar, if not identical, to the subject in dwelling size, design and age. However, the comparables have features, such as basement size and basement finish, with varying degrees of similarity when compared to the subject, suggesting adjustments would be required to make them more equivalent to the subject. Nevertheless, the comparables have improvement assessments that range from \$79,398 to \$85,949 or from \$39.85 to \$43.39 per square foot of living area. The subject property has an improvement assessment of \$84,723 or \$42.77 per square foot of living area, which falls within

the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
