

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Trapani  
DOCKET NO.: 24-01998.001-R-1  
PARCEL NO.: 07-26-208-010

The parties of record before the Property Tax Appeal Board are Julie Trapani, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,041  
**IMPR.:** \$114,620  
**TOTAL:** \$133,661

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 2,535 square feet of living area. The dwelling was constructed in 1988 and is approximately 36 years old. Features of the home include an unfinished basement, 2 bathrooms, central air conditioning, one fireplace and a 540 square foot garage. The property has an approximately 9,561 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,411 to 2,588 square feet of living area. The homes range in age from 24 to 46 years old. Each comparable has an unfinished basement, from 2½ to 3½ bathrooms, central air

conditioning, one fireplace and a garage ranging in size from 400 to 804 square feet of building area. The comparables have improvement assessments ranging from \$101,376 to \$119,030 or from \$40.96 to \$46.45 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$114,620 or \$45.21 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,305. The subject has an improvement assessment of \$121,264 or \$47.84 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. Board of review comparable #3 is the same property as the appellant's comparable #5. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,260 to 2,446 square feet of living area that are 36 or 37 years old. Each comparable has a basement, one of which has finished area. Each dwelling has 2 or 2½ bathrooms, central air conditioning, one fireplace and a garage ranging in size from 420 to 804 square feet of building area. The comparables have improvement assessments ranging from \$111,334 to \$116,096 or from \$46.45 to \$50.70 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains 12 equity comparables for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #1, #2 and #3 along with board of review comparables #1, #2 and #4 which are less similar to the subject in age, dwelling size, bathroom count and/or finished basement area than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparables #4 through #9 and board of review comparable #3, including the common property. These best comparables are more similar to the subject in location, age, design, dwelling size and most features. These comparables have improvement assessments ranging from \$108,787 to \$119,030 or from \$43.92 to \$46.45 per square foot of living area. The subject's improvement assessment of \$121,264 or \$47.84 per square foot of living area falls above the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
