

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roland Weiss
DOCKET NO.: 24-02021.001-R-1
PARCEL NO.: 11-08-101-022

The parties of record before the Property Tax Appeal Board are Roland Weiss, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,849
IMPR.: \$177,808
TOTAL: \$234,657

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame construction with 3,144 square feet of living area. The dwelling was constructed in 1994 and is approximately 30 years old. Features of the home include a basement, central air conditioning, 4 baths, a fireplace and a 539 square foot garage. The property has a 10,702 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables with the same neighborhood code, two of which are on the same street as the subject. The comparables consist of 2-story dwellings of frame or frame and brick exterior construction ranging in size from 3,124 to 3,568 square feet of living area. The homes are 30 or 31 years old and have basements. Each comparable has central air conditioning, 2.5 to 5.5 baths,

one fireplace and a garage ranging in size from 528 to 779 square feet of building area. The comparables have improvement assessments ranging from \$173,902 to \$204,744 or from \$54.42 to \$57.60 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$234,657. The subject property has an improvement assessment of \$177,808 or \$56.55 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables (#1, #2 and #3) which were described and submitted by the appellant as comparables #6, #5 and #7, respectively. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board which includes the parties' three common comparables. These comparables are relatively similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$173,902 to \$204,744 or from \$54.42 to \$57.60 per square foot of living area. The subject's improvement assessment of \$177,808 or \$56.55 per square foot of living area is within the range established by the comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
