

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory Powell
DOCKET NO.: 24-02031.001-R-1
PARCEL NO.: 11-30-221-027

The parties of record before the Property Tax Appeal Board are Gregory Powell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,798
IMPR.: \$136,429
TOTAL: \$160,227

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,016 square feet of living area. The dwelling was constructed in 1996 and is approximately 29 years old. Features of the home include a basement, central air conditioning, and a 559 square foot garage. The property has a 8,736 square foot site and is located in Mundelein, Libertyville Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables located within 0.20 of a mile from the subject. The comparables are improved with 2-story homes ranging in size from 3,007 to 3,017 square feet of living area. The dwellings range in age from 29 to 31 years old. Each home has a basement, central air conditioning, and a 559 square foot garage. The comparables have improvement assessments ranging from \$131,570 to

\$132,588 or from \$43.62 to \$43.96 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$132,101.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,227. The subject property has an improvement assessment of \$136,429 or \$45.24 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within 0.12 of a mile from the subject. The comparables are improved with 2-story homes with 3,016 or 3,017 square feet of living area. The homes were built in 1995 or 1996. Each home has a basement, central air conditioning, and a 559 square foot garage. The comparables have improvement assessments ranging from \$136,428 to \$138,443 or from \$45.22 to \$45.90 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve equity comparables for the Board's consideration. The Board finds the comparables are similar to the subject in dwelling size, age, location, and features and have improvement assessments that range from \$131,570 to \$138,443 or from \$43.62 to \$45.90 per square foot of living area. The subject's improvement assessment of \$136,429 or \$45.24 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
