

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrea Riordan
DOCKET NO.: 24-02106.001-R-1
PARCEL NO.: 14-22-101-003

The parties of record before the Property Tax Appeal Board are Andrea Riordan, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,181
IMPR.: \$152,490
TOTAL: \$198,671

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,971 square feet of living area. The dwelling was constructed in 1988 and is approximately 36 years old. Features of the home include a basement, central air conditioning, two fireplaces and a garage with 462 square feet of building area. The property has a 67,489 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that have the same assessment neighborhood code as the subject and are located from .60 to .99 of a mile from the subject property. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,000 to 3,399 square feet of living area. The dwellings are from 36 to 38 years old. Each comparable has a basement,

central air conditioning, a fireplace and a garage ranging in size from 660 to 957 square feet of building area. The comparables have improvement assessments that range from \$151,208 to \$170,655 or from \$49.15 to \$50.40 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$148,149 or \$49.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,671. The subject has an improvement assessment of \$152,490 or \$51.33 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on seven equity comparables that have the same assessment neighborhood code as the subject and are located from .16 of a mile to 1.26 miles from the subject property, one of which is located along the same street as the subject. The comparables are improved with 1.5-story or 2-story dwellings of frame or frame and brick exterior construction ranging in size from 2,908 to 3,258 square feet of living area. The dwellings were built from 1984 to 1988. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 759 to 865 square feet of building area. The comparables have improvement assessments that range from \$149,928 to \$167,687 or from \$51.42 to \$53.32 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 16 equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #3, #5, #6, #7 and #9 due to their larger dwelling sizes, when compared to the subject. The Board has given reduced weight to board of review comparables #2, #5 and #7 which are located more than one mile away from the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #4 and #8, along with board of review comparables #1, #3, #4 and #6, which are overall more similar to the subject in location, dwelling size, age and some features. The comparables have improvement assessments that range from \$149,928 to \$162,765 or from \$49.75 to \$52.71 per square foot of living area. The subject property's improvement assessment of \$152,490 or \$51.33 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
