

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jacek Rulkowski
DOCKET NO.: 24-02123.001-R-1
PARCEL NO.: 14-33-402-006

The parties of record before the Property Tax Appeal Board are Jacek Rulkowski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,443
IMPR.: \$161,262
TOTAL: \$202,705

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,297 square feet of living area. The dwelling was constructed in 1976 and is 48 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 725 square foot garage. The property has a 38,052 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables located in the subject's assessment neighborhood and within .23 of a mile of the subject. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,201 to 3,363 square feet of living area. The homes range in age from 48 to 50 years old. Each dwelling has central air conditioning, a fireplace, a basement,

and a garage ranging in size from 725 to 754 square feet of building area. The comparables have improvement assessments ranging from \$152,702 to \$161,848 or from \$47.70 to \$48.29 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$157,613 or \$47.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,705. The subject property has an improvement assessment of \$161,262 or \$48.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on nine equity comparables located within the subject's assessment neighborhood and within .28 of a mile of the subject. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,057 to 3,297 square feet of living area. The homes were built in either 1976 or 1977. Each dwelling has central air conditioning, one or two fireplaces, a basement, and a garage containing either 725 or 754 square feet of building area. The comparables have improvement assessments ranging from \$149,712 to \$163,217 or from \$48.95 to \$49.85 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 18 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are similar to the subject in age, location, dwelling size, and features. The comparables have improvement assessments ranging from \$149,712 to \$163,217 or from \$47.70 to \$49.85 per square foot of living area. The subject's improvement assessment of \$161,262 or \$48.91 per square foot of living area is within the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
