

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Wynne  
DOCKET NO.: 24-02126.001-R-1  
PARCEL NO.: 13-12-101-052

The parties of record before the Property Tax Appeal Board are Joseph Wynne, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$56,808  
**IMPR.:** \$282,771  
**TOTAL:** \$339,579

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,767 square feet of living area.<sup>1</sup> The dwelling was constructed in 1996. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 1,080 square foot garage. The property has a 45,728 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .7 of a mile of the subject. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 4,190 to 5,574 square feet of living area. The homes were built

from 1990 to 2000. Each dwelling has central air conditioning, two to six fireplaces, a basement with finished area, and a garage ranging in size from 825 to 1,301 square feet of building area. The parcels range in size from 38,296 to 88,069 square feet of land area. The comparables sold from January to August 2022 for prices ranging from \$740,000 to \$975,000 or from \$160.57 to \$202.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$280,605, for an estimated market value of \$841,899 or \$176.61 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$339,579. The subject's assessment reflects a market value of \$1,018,839 or \$213.73 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>2</sup>

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .57 of a mile of the subject. The comparables consist of two-story dwellings of brick, frame, or brick and frame exterior construction ranging in size from 4,422 to 4,812 square feet of living area. The dwellings were built from 1990 to 1998. Each dwelling has central air conditioning, one to six fireplaces, a basement with finished area, and a garage ranging in size from 782 to 1,000 square feet of building area. Two comparables each have an inground swimming pool. The parcels range in size from 40,347 to 52,173 square feet of land area. The comparables sold from June to December 2023 for prices ranging from \$1,050,000 to \$1,900,000 or from \$227.22 to \$394.85 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in dwelling size and/or sold less proximate to the January 1, 2024 assessment date at issue. The Board also gives reduced weight to the board of review's comparables #3 and #4, which feature inground swimming pools unlike the subject.

<sup>2</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

The Board finds the board of review's comparables #1, #2, and #5 are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$1,050,000 to \$1,325,000 or from \$227.22 and \$261.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,018,839 or \$213.73 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
