

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Riggan
DOCKET NO.: 24-02137.001-R-1
PARCEL NO.: 13-16-201-010

The parties of record before the Property Tax Appeal Board are Richard Riggan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,693
IMPR.: \$191,538
TOTAL: \$230,231

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 3,128 square feet of living area. The dwelling was constructed in 1990 and is 34 years old. Features of the home include a basement, central air conditioning, three fireplaces, and a 760 square foot garage. The property has a 43,840 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the subject's assessment neighborhood and within .39 of a mile of the subject. The comparables consist of 1.5-story dwellings of frame or frame and brick exterior construction ranging in size from 3,183 to 3,587 square feet of living area. The homes are either 35 or 50 years old. Each dwelling has central air conditioning, one to four fireplaces, a

basement, and a garage ranging in size from 646 to 863 square feet of building area. The comparables have improvement assessments ranging from \$171,408 to \$191,054 or from \$51.11 to \$57.80 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$172,344 or \$55.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,231. The subject property has an improvement assessment of \$191,538 or \$61.23 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the subject's assessment neighborhood and within .48 of a mile of the subject. Comparables #4 and #5 are the same properties as the appellant's comparables #3 and #4, respectively. The comparables consist of 1.5-story or 2-story dwellings of frame or frame and brick exterior construction ranging in size from 2,538 to 3,418 square feet of living area. The homes were built from 1988 to 1993. Each dwelling has central air conditioning, one to four fireplaces, a basement, and a garage ranging in size from 667 to 1,141 square feet of building area. The comparables have improvement assessments ranging from \$153,753 to \$200,476 or from \$57.63 to \$60.58 per square foot of living area. The board of review also submitted a memorandum critiquing the appellant's comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board has given reduced weight to the appellant's comparables #1 and #2, as well as the board of review's comparable #3, which differ from the subject in age or dwelling size.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments ranging from \$186,002 to \$200,476 or from \$57.63 to \$59.79 per square foot of living area. The subject's improvement assessment of \$191,538 or \$61.23 per square foot of living area falls within the range established by the best comparables in this record overall. Although the subject's assessment is slightly above the range on a per-square-foot basis, the Board finds it logical given the subject's smaller dwelling in relation to the best comparables and the principle of economies of scale. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
