

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joyce Renz  
DOCKET NO.: 24-02197.001-R-1  
PARCEL NO.: 16-06-403-060

The parties of record before the Property Tax Appeal Board are Joyce Renz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$235,265  
**IMPR.:** \$398,210  
**TOTAL:** \$633,475

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 6,018 square feet of living area.<sup>1</sup> The dwelling was constructed in 2000 and is approximately 24 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a garage with 1,118 square feet of building area. The property has a site with approximately 78,844 square feet of land area and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .51 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in size from 5,752 to 6,267 square feet of

<sup>1</sup> The Board finds the best description of the subject is found in the evidence provided by the board of review which was not refuted by the appellant.

living area. The dwellings range in age from 23 to 29 years old. Each comparable has a basement, one with finished area, central air conditioning, one or three fireplaces and a garage ranging in size from 732 to 1,365 square feet of building area. The comparables have improvement assessments that range from \$336,034 to \$426,441 or from \$57.73 to \$70.34 per square foot of living area. Based on this evidence, the appellant requested a reduction in subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$633,475. The subject property has an improvement assessment of \$398,210 or \$66.17 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. The comparables are located in the same assessment neighborhood code as the subject and within .33 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 5,662 to 6,380 square feet of living area. The dwellings are 25 years old. Each comparable has a basement with finished area, central air conditioning, two or three fireplaces and a garage ranging in size from 960 to 1,200 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$360,246 to \$455,262 or from \$63.26 to \$71.36 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twelve suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparables #1 through #6, #8 and #9 due to their unfinished basements when compared to the subject. The Board has given reduced weight to board of review comparable #2 which features an inground swimming pool, an amenity the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparable #7 along with board of review comparables #1 and #3. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, finished basement, age, and some features. These most similar comparables have improvement assessments ranging from \$360,246 to \$455,262 or from \$63.26 to \$71.36 per square foot of living area. The subject's improvement assessment of \$398,210 or \$66.17 per square foot of living area falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
