

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Claps
DOCKET NO.: 24-02201.001-R-1
PARCEL NO.: 16-07-105-025

The parties of record before the Property Tax Appeal Board are Louis Claps, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$114,713
IMPR.: \$195,749
TOTAL: \$310,462

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,475 square feet of living area. The dwelling was constructed in 1998 and is approximately 26 years old. Features of the home include a basement, central air conditioning, three fireplaces and a garage with 889 square feet of building area. The property has a 24,794 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that have the same assessment neighborhood code as the subject and are located within .43 of a mile from the subject property, two of which are also along the same street as the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,126 to 3,977 square feet of living area. The

dwellings are from 24 to 65 years old. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 483 to 744 square feet of building area. The comparables have improvement assessments that range from \$129,673 to \$212,259 or from \$40.85 to \$54.01 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$176,808 or \$50.88 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$310,462. The subject has an improvement assessment of \$195,749 or \$56.33 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located within .31 of a mile from the subject property, one of which is also along the same street as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 2,453 to 4,600 square feet of living area. The dwellings are from 21 to 58 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, one or three fireplaces and a garage ranging in size from 550 to 804 square feet of building area. The comparables have improvement assessments ranging in size from \$147,965 to \$297,108 or from \$60.32 to \$72.25 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 12 equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 through #8 due to their considerably older dwelling ages, when compared to the subject. The Board has given reduced weight to board of review comparables #2 and #3 due to differences from the subject dwelling in size and/or age.

The Board finds the best evidence of assessment equity to be the appellant's comparable #9 and board of review comparable #1, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments of \$212,259 and \$254,327 or \$54.01 and \$72.25 per square foot of living area, respectively. The subject's improvement assessment of \$195,749 or \$56.33 per square foot of living area is less than the two best comparables in the record in terms of overall improvement assessment and bracketed by the

comparables on a per square foot of living area basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
