

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Xiong Lin
DOCKET NO.: 24-02292.001-R-1
PARCEL NO.: 15-09-107-012

The parties of record before the Property Tax Appeal Board are Xiong Lin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,633
IMPR.: \$216,898
TOTAL: \$259,531

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,412 square feet of living area. The dwelling was constructed in 2015 and is nine years old. Features of the home include a full basement, central air conditioning, a fireplace, and a 768 square foot garage. The property has a 15,129 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and within .4 of a mile of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,044 to 3,883 square feet of living area. The homes range in age from 33 to 35 years old. Each dwelling has a partial basement with three having finished area, central air conditioning, one or two fireplaces, and a

garage containing either 441 or 736 square feet of building area. The parcels range in size from 11,718 to 15,978 square feet of land area. The comparables sold from March to June 2023 for prices ranging from \$660,000 to \$779,000 or from \$188.78 to \$216.82 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$228,928, for an estimated market value of \$686,853 or \$201.31 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$259,531. The subject's assessment reflects a market value of \$778,671 or \$228.22 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .4 of a mile of the subject. Comparable #2 is the same property as the appellant's comparable #3. The comparables consist of two-story dwellings of frame exterior construction containing either 3,044 or 3,203 square feet of living area. The dwellings were built in either 1989 or 1991. Each dwelling has a basement with finished area, central air conditioning, and a 441 square foot garage. Two comparables each have one or two fireplaces. The parcels range in size from 11,877 to 15,978 square feet of land area. The comparables sold from May 2022 to July 2024 for prices ranging from \$660,000 to \$830,000 or from \$216.82 to \$259.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board finds the parties' comparables are not truly similar to the subject due to differences in age, nevertheless, the parties' comparables are similar to the subject in location, dwelling size, and some features. The comparables sold for prices ranging from \$660,000 to \$830,000 or from \$188.78 to \$259.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$778,671 or \$228.22 per square foot of living area, including land, which is within the range established by the comparable sales in this record and appears supported given the subject's significantly newer dwelling. Based on this evidence and after

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
